

Kyrene de la Esperanza Elementary School

Has anyone ever improved your day by providing a kind word of encouragement?

One of the projects the Outreach Team agreed to participate in is an Affirmation Wall for students and staff at Kyrene de la Esperanza Elementary School. The school is located at 41st Place and South Ranch Circle East, two miles east of our church.

The Outreach Team has provided blank post it notes and markers in order for the congregation to write inspirational messages to the students and staff of Kyrene de la Esperanza.

Peggy Shepherd will then deliver the completed post it notes to the school for their Affirmation Wall. It will be accessible to both students and staff so they can choose a note that brightens or improves their day.

So, keep thinking of those kind, positive, and encouraging messages and feel free to include your children, grandchildren, neighbors, and friends! Anyone can participate!

Grab some notes from the small lectern in the Narthex and write some out while you are at church, during coffee hour, or at home. Please return the completed notes to the basket next to the post its and markers.

We will suspend this project while school is out for the summer and start up again at the beginning of the school year.
